What is EmpowerRF?

We are excited to offer a new treatment that delivers life-changing wellness therapies for women. EmpowerRF treats a broad range of conditions such as blood circulation, pain relief, stress, urge, incontinence and pelvic floor weakness.

EmpowerRF uses radio-frequency (RF) with electrical muscle stimulation (EMS) for a non-surgical approach to vaginal rejuvenation.

Treatments Include ↓

VTone: Treats weak pelvic floor muscles and urinary incontinence using intravaginal electrical muscle stimulation (EMS) and neuromuscular re-education to strengthen muscles.

FormaV: A non-invasive RF treatment that helps with vaginal laxity, dryness and urinary incontinence.

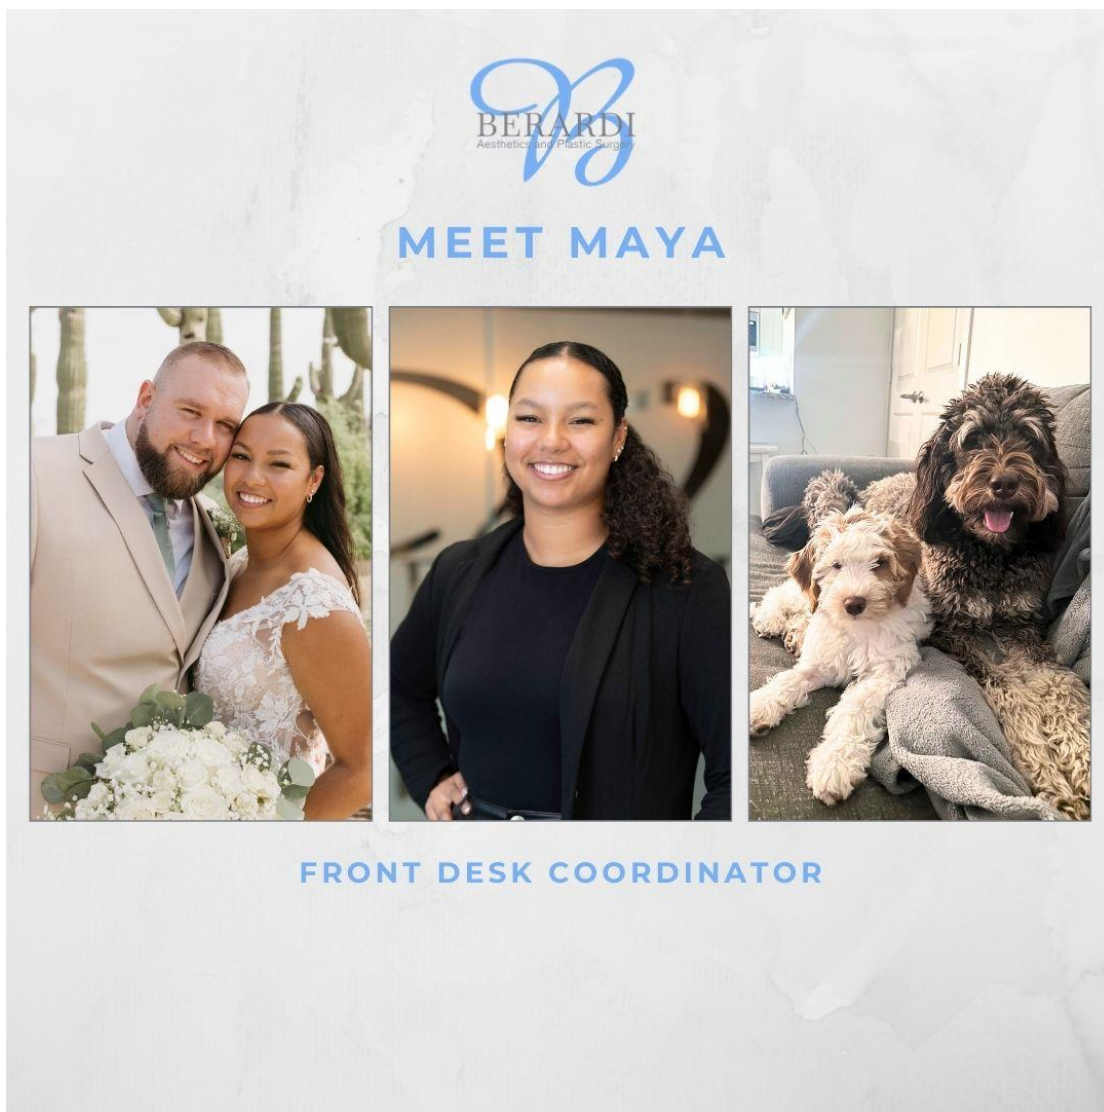

Morpheus8V: Improves vaginal laxity and dryness by using radio-frequency Microneedling to stimulate collagen production.

- The EmpowerRF platform may be used to treat
- + Vaginal laxity due to childbirth and/or weight changes
 - + Vaginal dryness
 - + Pain during intercourse
 - + Stretched/wrinkled labia and vulva area
 - + Leaking urinary incontinence
 - + Overactive bladder, urge incontinence

Meet The Staff

BERARDI
Aesthetics and Plastic Surgery

MEET MAYA

FRONT DESK COORDINATOR

Maya has been with Berardi Aesthetics and Plastic Surgery since 2023. As the Front Office Coordinator, she is the friendly voice you hear when you call and the first person you see when you walk in the door.

With a background in Marketing, Fitness, and Wellness she understands the importance of staying healthy especially when undergoing treatments or procedures.

Maya's favorite part of her role is welcoming patients and making them feel comfortable during their office visit.

In her spare time, she enjoys pickleball, restaurants, hiking and spending time with her husband and Bernadoodles Atlas and Luna.

Patient Communication Tool!

Have you downloaded MyTouchMD?

We are always evolving and improving our practice here at Berardi Aesthetics and Plastic Surgery and have found a wonderful HIPAA-compliant tool for our patients to use.

This powerful, informative app will enable you to research procedures and treatments, communicate with our office and even see your before and after images!

If you would like to get a jumpstart on the app, simply contact the office and we will send you the link.
